

# GEMINI I PRODUCT SPECIFICATION SHEET

## PRODUCT DESCRIPTION

Gemini I is a high quality bypass protein supplement for all classes of dairy and beef cattle. Designed to match the essential amino acid profile required by the mammary gland for milk production, it is backed by rigorous quality control standards and continuous testing of both raw ingredients and finished product. This ensures consistent digestible RUP is delivered load after load which minimizes over/ under feeding, reduces nitrogen excretion, and supports milk production performance.

## GUARANTEED ANALYSIS

Crude Protein .....	Min	84.0
Crude Fat .....	Min	1.9
Crude Fiber .....	Max	1.7
Acid Detergent Fiber (ADF).....	Max	2.2
Calcium (Ca) .....	Min	0.10
